### Public Hearing Notice

The **Mid-East Texas Groundwater Conservation District** ("District") will hold a Public Hearing to consider two (2) Water Well Drilling/Operating Permit applications submitted by Delta Sands, LLC for two (2) water wells in Freestone County. The location of the wells is described below:

1. Pit Well #1, CR 355 Oakwood Texas; Latitude 31.5564 North, Longitude -95.9564 West at a proposed depth of 40-60 feet to produce from the Queen City Aquifer.
2. Pit Well #2, CR 355, Oakwood Texas; Latitude 31.5571 North, Longitude -95.9481 West at a proposed depth of 40-60 feet to produce from the Queen City Aquifer.

The proposed production from each well is proposed to be 100 gallons per minute. Delta Sands, LLC seeks to produce up to 322.60 acre-feet annually aggregated between the two (2) wells on an 892.42 acre tract. The beneficial use of these wells will be to supply groundwater for a hydraulic fracturing sand mining facility.

The Water Well Drilling/Operating Permit Applications will be considered by the Board of Directors of the District at a Regular Meeting/Public Hearing to be held **Tuesday, May 26, 2026 at 6:00 pm at the Leon County Courthouse Annex II, 155 N. Cass St., Centerville TX.** This meeting is open to the public and anyone wishing to make comments regarding the Water Well Drilling/Operating Permits may do so at a time designated by the Board of Directors.

Comments for information regarding the permit applications may be made by contacting the Mid-East Texas GCD at 936-348-3212 or by email at [david\\_metgcd@att.net](mailto:david_metgcd@att.net).
